. Naka-san
It's been a while since your last visit
I kept looking in from outside, but you never met my eyes.
I can't see through walls, you know

I figured I must have bothered you quite a bit...
Even though I don't remember that night
With the way I confessed to you
which made you need to drink so much
...but to me, that trip is a good memory
Seriously? That?

slurp
Here
A large salty ramen.
slurp

TAP
I won't ever forget your ramen, Naka-san!
..goodbye!

We're only 2 doors away.

We'll probably come across each other again...
